Sue E. Wolver, MD, FACP
Objectives:
1. Recognize how the current dietary guidelines have contributed to the obesity epidemic.
2. Define tools to help their patient achieve weight loss and improve their health.
2:20 – 2:40  
**Think Like a Surgeon: Incorporating Evidence into Your Surgical Practice**  
Sarah M. Temkin, MD  
Objectives:  
1. Examine your pre-, peri- and post-operative routines.  
2. Describe how a multidisciplinary approach can improve surgical outcomes.

2:40 – 3:00  
**Questions and Answers**

3:00 – 3:20  
**Induction of Labor and Risk of Cesarean Delivery**  
Edward H. Springel, MD  
Objectives:  
1. Review the evidence leading to the association between labor induction and cesarean risk.  
2. Review the emerging evidence examining possible causation between labor induction and cesarean risk.

3:20 – 3:40  
**Dyad or Disaster: Reflections on Pharmacotherapy for Opioid Use Disorder in Pregnancy**  
Mishka Terplan, MD, MPH, FACOG, FASAM  
Objectives:  
1. Outline the historical context of opioid use in pregnancy.  
2. Explain the basis for pharmacotherapy for the treatment of opioid use disorder.

3:40 – 4:00  
**Questions and Answers**

4:00 – 4:20  
**What Every Ob/Gyn Should Know About Vasectomies**  
J. Tyler Roseman, II, MD  
Objectives:  
1. Review counseling relevant to perusing a vasectomy option for contraception.  
2. Describe the basics of the pre and post procedure experience.

4:20 – 4:40  
**Hemorrhoids in Pregnancy and Beyond**  
Stephanie R. Goldberg, MD  
Objectives:  
1. Describe how to evaluate and triage hemorrhoids.  
2. Describe basic medical and surgical management strategies.

4:40 – 5:00  
**Questions and Answers/Closing**

**Course Description and Target Audience**

The Ware-Dunn Society and the Department of Obstetrics & Gynecology are pleased to offer the **2018 Advances in Obstetrics and Gynecology Conference** in Richmond, Virginia, at the Kontos Medical Sciences Building.

The program has been designed for obstetrician-gynecologists, Ob/Gyn nurse practitioners, family practitioners and primary care providers in clinical practice in Virginia and nearby states. This one-day program will provide an intense update on current health policy, health care in the U.S., marijuana use in pregnancy, obesity, care of the transgender child and adolescent, incorporating evidence into your surgical practice, induction of labor and risk of cesarean delivery, opioid use disorder in pregnancy, what every Ob/Gyn should know about vasectomies and hemorrhoids in pregnancy and beyond.
Accreditation and Credit

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of VCU Health Continuing Medical Education and the Ware-Dunn Society. VCU Health Continuing Medical Education is accredited by the ACCME to provide continuing medical education for physicians.

Physicians: VCU Health Continuing Medical Education designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: ANCC and the Virginia Board of Nursing accept AMA PRA Category 1 Credits™ from organizations accredited by the ACCME for your CNE contact hour requirements for recertification or re-licensure.

The American College of Obstetricians and Gynecologists has assigned 7 cognates (Formal Learning) to this program.
